

Copy Exploration Project: Dear Edward

On the wings of faith.

Arrivals of hope.

He survived to rescue everyone left behind.

Gone too soon, but hope survives.

The flight of passage.

Lifting them up as he fell.

Life after loss.

Hope, sealed and delivered.

He walks among those that once flew.

He gives back their world the moment his was taken.

Paper wings, wishful hearts.

Helping the broken find their wings.

Sincerely, Hopeful.
