

Copy Exploration Project: The Last Thing He Told Me

His final choice becomes her first.

Some mysteries are better left unsaid.

Her world, thrown in reverse.

Navigating his maze, finding themselves.

The note that changed everything.

With clipped wings, she flies.

His past becomes her present.

Lost becomes found.

When the buried emerge.

His secret, a danger to them all.

New eyes on her.

His life in her rear-view.

Their past refuses to stay silent.
